RE: Shoreline Community Club Wetland Enhancement/Mitigation Project

Mr. Dadisman,

At your request, staff has reviewed the wetland mitigation/enhancement planting plan proposed for the Shorewood Community Club and recommends the following:

Since the Shoreline Community Club has expressed view concerns for the restoration proposal, we find that the native plantings proposed will respond well to view trimming, and have no concerns with approving a plant height maintenance plan for 10 ft, per KCC 19.400.415(D)(2), Vegetation Removal.

Should you have any questions or concerns, please call Steve Heacock at: (360) 337-7181

Sincerely,

Patty Charnas, Environmental Programs Manager
